ARKET PLANT POT PETIT

The Arket Plant Pot is a sculptural masterpiece that seamlessly blends architectural precision with natural elegance. Its five bold vertical lines dance with light and shadow, creating a captivating interplay that transforms any space. With its striking yet harmonious design, it adds a sense of sophistication and beauty, effortlessly elevating any environment. This series comes in four thoughtfully crafted sizes, each designed to embrace the beauty of nature in all its forms. The Big plant pot offers a home for towering trees and generous, leafy companions, giving them the space to stretch and thrive. Medio welcomes medium-sized plants and bold statement greens, bringing balance and life to any corner. Mini holds the quiet charm of succulents, compact plants, and delicate floral accents — a celebration of small wonders. And Petit, the tiniest of the family, is perfect for tender herbs and the most delicate sprouts, honouring the beauty found in nature's smallest details. These plant pots are thoughtfully designed with a small drainage hole at the base and a matching saucer, ensuring optimal water flow and air circulation for plants.
