DROP CHANDELIER GLOBE

The Drop Chandelier Globe introduces a captivating twist to its iconic design with the introduction of a sleek, globe-shaped metal lampshade. Named after its lampshade, Drop Chandelier Globe is a an ode to 80's geometric designs, emphasizing clean lines and effortlessly melds with any interior decor.

Designed to captivate both the eye and the imagination, Drop Chandelier Globe offers a harmonious fusion of form and function. Its meticulously engineered construction not only enhances the aesthetic appeal but also maximizes the luminous potential of the hidden light source within.

Drop Chandelier Globe comes in two sizes and two colors; Chrome and Burned Black. The chrome finish creates a seamless integration with modern interiors, infusing spaces with a sense of refined sophistication, while Burned Black adds a warm and coze atmosphere.

The versatility of the Drop Chandelier Globe extends beyond its aesthetic allure, thanks to its 14 adjustable metal arms. This ingenious feature allows for personal customization, empowering users to tailor the chandelier to their unique preferences and creative visions. Whether arranged symmetrically for a balanced look or asymmetrically for a dynamic effect, the possibilities for artistic expression are truly limitless.
