KABIN VASE FAT

Kabin is a series of vases inspired by the classical, simple forms found in Japanese craftsmanship.

The large table vases offer the same stability and complexity as traditional Japanese tea bowls, and their oval-shaped bodies rest on top of a small foot or pedestal, adding refinement to the classic form.

The Kabin series is a love story between Japanese and Scandinavian craftsmanship, resulting in this minimalist collection of vases.

Designed by Nicolaj Nøddesbo & Tommy Hyldahl.

Product no: 245043
Type: Vase - Indoor

Designer / Year of design:
Nicolaj Nøddesbo & Tommy Hyldahl, 2017

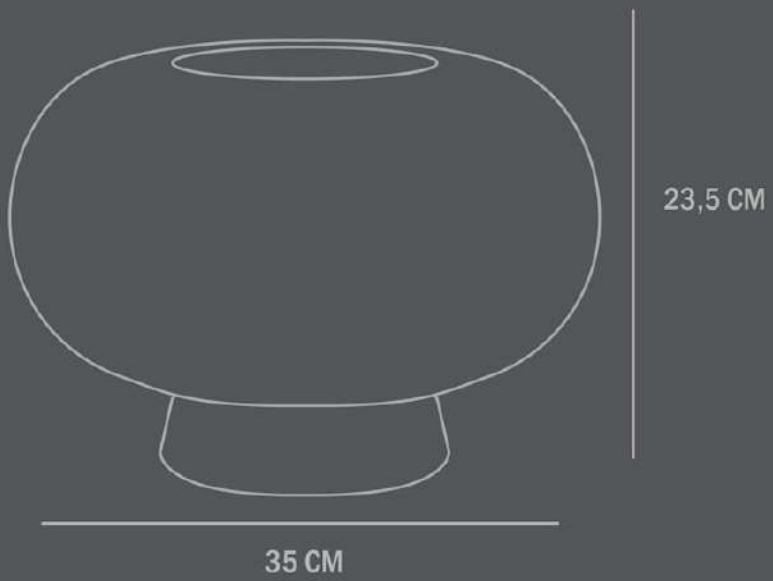

Colour: Sand
Material: Ceramic

Care instructions:
Use a soft dry cloth to clean the product.
Do not use household cleaners.
Waterproof

Dimensions: L35 / W35 / H23,5
Country of origin: CN

Product weight: 3,00 Kgs

Packaging:
Dimensions: L40 / W32 / H25 CM
Total weight incl. product: 4,00 Kgs
Number of parcels: 1
Material: Brown cardboard
