KYOTO VASE MINI

Complex and yet so simple. Kyoto is inspired by the form of ancient Japanese and Chinese vases. It is designed as a cross of four massive walls, lifting an oval shaped sphere revealing a circular opening in the center.

The two different sized vases are crafted in ceramic and are hand glazed. As it is a natural product, the colours may vary a little and as it is not 100% waterproof, a bag for fresh flowers is included.

Designed by Kristian Sofus Hansen & Tommy Hyldahl.
