TERMS OF SALE AND DELIVERY

The Terms of Sale and Delivery for ferm LIVING ApS, company number 30070186, hereinafter called ferm LIVING shall apply to all orders – and prevail over any such terms or similar terms from a buyer – unless the terms are dispensed from by express written agreement. The Terms of Sale and Delivery shall be subject to changes periodically and without notice.

1 ORDER CONFIRMATION

- 1.1 When submitted, the order is binding. Upon ferm LIVING’s written confirmation of the order, a final agreement on sale and delivery of goods has been entered into. The order is accepted subject to goods, raw materials and the like being available.
- 1.2 If unforeseen difficulties arise or the buyer has reach his credit limit / the limit is exceed by the impending delivery or if unsatisfactory credit information about the buyer is obtained after the acceptance of the order, ferm LIVING is entitled, exempt for liability of any kind, to a) cancel the confirmed order or to b) demand provision of a fully adequate bank guarantee or to c) whole/partly prepayment or to d) split the order in several deliveries.
- 1.3 The buyer’s cancellation of the confirmed order can only be accepted with prior written consent from ferm LIVING. ferm LIVING can chose to make the consent contingent upon the buyer’s compensation of ferm LIVING’s costs and losses in connection to the cancellation or a cancellation fee of 15% the order value within 8 days from the cancellation date.

2 TERMS OF DELIVERY

- 2.1 The goods shall be delivered in accordance with ICC Incoterms 2010 EXW from ferm LIVING’s warehouse or head office in Denmark unless otherwise stated in the order confirmation.
- 2.2 ferm LIVING will assist in arranging the dispatch of the ordered goods at the buyer’s expense, unless the buyer informs ferm LIVING in written, that the buyer does not want ferm LIVING’s assistance. If ferm LIVING assists the buyer ferm LIVING decides at its sole discretion the type of freight and packing - unless otherwise agreed in writing. ferm LIVING are entitled to charge a handling fee.

3 DELIVERY TIME AND DELAY

- 3.1 ferm LIVING aims to deliver the goods as soon as possible. If the ordered goods are not in stock, the date of expected delivery to the warehouse will appear on the order confirmation. ferm LIVING dispatch the goods as soon as possible after the goods are received at the warehouse. However, ferm LIVING can choose to optimize the transportation by collecting goods for common dispatch.
- 3.2 An exact delivery date can only be agreed on in written.

In such cases ferm LIVING shall be entitled to postpone the delivery time by fourteen (14) days and shall immediately notify the buyer in writing of any such postponement. In the event of force majeure, however, the provisions below, delivery may be

postponed until the obstacle ceases and ordinary trading and transport become possible. If delivery has not been fulfilled within fourteen (14) days from the stated delivery, the delivery can only be considered as being in delay if the buyer has given ferm LIVING a written reminder and delivery has not been performed within seven (7) days from ferm LIVING receipt of the reminder.

4 RETENTION OF TITLE

- 4.1 ferm LIVING reserves the ownership of the delivered goods until full payment is effected by the buyer. All costs incurred in connection with the enforcement of the retention of title shall be paid by the buyer.
- 5 PRICES
- 5.1 All prices stated in ferm LIVING’s price lists are guidelines. The final price will appear on the order confirmation. ferm LIVING makes reservation for misprints.
 - 5.2 In case the price written in the order confirmation exceeds 20% of the price, which appears in the price list, the buyer can annul the order within 7 days without cancellation fee (article 1.3). However, changes in prices which are caused by customs duties, other duties (e.g. oil), force majeure, and exchanges rates are considered accepted by the buyer when the buyer has submitted the order. ferm LIVING will inform the buyer of any price changes. The buyer shall be free to fix his resale prices.

6 PAYMENT

- 6.1 Unless otherwise agreed in writing, payment will be against invoice and is due for payment 14 days from the invoice date. For new customers and under extraordinary circumstances ferm LIVING can demand prepayment.
- 6.2 Default interest of 2% per month will be charged after the due date in the event of nonpayment. Reminder fee will be charged according to the Danish Interest Act.
- 6.3 The buyer shall not be entitled to withhold or set of any part of the purchase price as security for fulfilment of any counterclaim concerning other deliveries. Such withholding or offsetting shall be considered a substantial breach of the purchase agreement.
- 6.4 ferm LIVING may postpone delivery of orders or cancel orders by written notice and without incurring any liability for this if the buyer is in arrears with payment for previous consignments delivered.
- ferm LIVING reserves the right to cancel the order if payment is not made on the due date. Any financial loss that ferm LIVING incurs as a result hereof shall be compensated fully by the buyer.
- 6.5 Article 6.1 – 6.4 shall also apply for delivery of part of an order.

7 COMPLAINTS AND REMEDIES

- 7.1 Any complaint shall be submitted in writing, and must be received by ferm LIVING no later than seven (7) days after delivery.
- 7.2 In the event of non-visible damage, the complaint shall likewise be submitted not later than seven (7) days from when the defect

- 7.4 Any complaint must be specific, documented and contain a precise specification on the contents of the complaint. No returns will be considered without prior written approval by ferm LIVING.
- 7.5 Defect goods must be returned to ferm LIVING in original and intact packaging and properly wrapped. If the original packaging is damaged, the buyer is responsible for ensuring proper packing and wrapping. The buyer forfeits the right to complain if the goods are damaged as a result of the buyer’s insufficient packaging or wrapping.
- 7.6 Defects caused by incorrect handling/use, ordinary wear and tear, damage, inadequate maintenance, accident or other circumstances for which the buyer is responsible or bear the risk, does not constitute a defect.

11 VENUE AND GOVERNING LAW

- 11.1 This Agreement shall be governed by and construed in accordance with Danish law, disregarding the Danish choice of law rules to the extent that such rules would otherwise lead to the application of any other law than Danish law. The Convention on Contracts for the International Sale of Goods (CISG) shall not apply.
- 11.2 If the buyer is not established in Norway or within a member state of the EU any dispute arising out of or in connection with this contract, including any disputes regarding the existence, validity or termination thereof, shall be settled by arbitration arranged by the Danish Institute of Arbitration in accordance with the rules of arbitration procedure adopted by the Danish Institute of Arbitration and in force at the time when such proceedings are commenced. The background is a complex, organic pattern of white, light blue, and muted green. The shapes are irregular and fluid, resembling watercolor washes or natural textures like stone or coral. The white areas are the most prominent, often forming large, irregular patches. The blue and green are more concentrated in certain areas, creating a rich, layered effect.
