HAY

ARCS WALL SCONCE

HIGHLIGHTS

- Part of a progressive and technologically advanced lighting collection
- A family of arched shades for table, pendant and wall lamps designed by Muller Van Severen
- A modern steel shade with a scalloped silhouette
- Designed to be mounted directly on a wall-mounted junction box
- Ideally suited to rooms, corridors and areas where power is already located in the wall and the lights can be controlled by an independent light switch fitted to the wall
- It also comes with an on/off toggle switch and a power cable with a standard EU plug that can be plugged into a power socket (Arcs Wall Switch)
- Creates an ambient up and down light within a space that doesn't disturb or create unnecessary glare
- Designed for use with a replaceable standard retro fit LED dimmable bulb
- Suitable for both private and office environments
- For indoor use only

ARCS WALL SCONCE DESIGN BY MULLER VAN SEVEREN

The Arcs Wall Lamp is part of a series of arched designs created for HAY by Belgian duo Muller Van Severen. Formed from a continuous chain of curved arches that create an elegant, scalloped silhouette, the lamp provides a soft, ambient up and down light that plays with shapes and shadows. The lamp is easy to mount and is available in two variants – depending on the type of use or installation requirements: the Arcs Wall Sconce with integrated cord design or the Arcs Wall Switch with switch and cable. Arcs is crafted in solid steel and is available in several different colours or with a mirror surface. The different mounting solutions give the lamp a versatile quality, making it suitable for corridors and large spaces, as well as a bedside lamp or in small corners.

Muller Van Severen, founded in 2011 by Belgian duo Fien Muller and Hannes Van Severen, creates sculptural furniture that blurs the line between art and design. Guided by a passion for architecture and materials, their work has earned numerous awards and collaborations with leading museums worldwide. For HAY, Muller Van Severen has designed the Two-Colour Table, Colour Cabinet, Colour Rack and Hanger, and Perforated Cabinet and the Arcs series.

DIMENSIONS

ARCS WALL SCONE
Width 17 cm
Depth 13 cm
Height 25 cm
Weight 1,54 kg

TECHNICAL SPECIFICATION

RECOMMENDED LIGHT SOURCE
LED E14 (A15), 5-8W (max. 8W), 500-800lm, 2700-3000K warm white
Bulb not included

DIMMABLE
Yes
If used in conjunction with a wall mounted dimmer and suitable LED bulb

POWER SUPPLY
220-240V AC at 50/60Hz

IP
20

CORD LENGTH
Integrated in the wall

SWITCH
No

TEST SPECIFICATION OUTPUTS

Photometrics and the test specification shown is taken using the recommended LED bulb fitted in the production luminaire

LUMEN (LM)
568lm

KELVIN (CCT)
2700K warm white

CRI (1-100)
80
