ribbon

Black ribbon

Tile Raw Color
ribbon

Mustard Raw
Color ribbon

Green Raw
Color ribbon

Canopies (European version):

Satin nickel

Black

Canopies (American version):

Satin nickel

Black

GT7 is similar to the GT5 although it is larger in size. It incorporates an upper metal disc near the light source to strengthen the structure and a diffuser disc on the lower section.

This is a colourful family that varies in size without altering its essence, creating rich luminous tones. With the light on, the shade provides a warm light, rich in nuances. With the light off, this lamp is a sculptural statement piece that enhances the room.

General description:
